She scolded Jack for selling the cow in exchange for the beans. Jack was angry so he threw the beans out of his window. The next morning, he saw a beanstalk growing outside his house. Jack climbed the beanstalk and saw a giant who asked him to make a wish. Jack wished for his mother's happiness. When he came back home, he saw that they were no longer poor.
2. When Jack reached the castle, he couldn't see his house anymore because the castle was too high in the sky. It was because of the height at which the beanstalk was located that Jack could not see his house.
