Theme 2: We Live in Harmony Lesson-2: A Planet for All

Main Coursebook

I am ready: Accept all relevant responses

Catch Up (Page 20)

The humans were cutting down trees in the forest.

Catch Up (Page 22)

Mingo made a plan to live in the city.

Catch Up (Page 23)

The elders suggested that they stop destroying the animals' homes so that the animals leave the city and go back home.

I am a learner

- A. 1. forest 2. confused 3. fight back
4. plan 5. forest

- B. 1. Jumbo, the elephant, said these words to Mario and Paul to tell them why the animals were worried.
2. Timmy, the monkey, said these words to the other animals. He said so because the humans were destroying their home by cutting down the forest.
3. The city elders said this because the forest animals had left their home and had come to the city. They said this after understanding their mistake.

- C. 1. The animals were worried because the humans were cutting down the forest. The forest was their home.

2. The animals fought back by going to live in the city to show the humans how they felt.

3. Accept all relevant responses.

Sample response: The animals thanked Mario and Paul because they helped save the forest.

- D. 1. Yes, Mingo's plan was successful. When the animals went to the city, the humans were scared and understood their mistake. They stopped cutting down the forest and moved away. This helped the animals get their home back.

2. Accept all relevant responses.

Sample response: The city elders showed responsibility and kindness. They accepted their mistake and decided to protect the forest. They understood that forests are homes for animals.
